

Venus Pipes & Tubes Limited

Commencement of Operations of 1,800 MTPA of Seamless pipes/Tubes

Dhaneti, Gujarat: 5th November 2025: Venus Pipes & Tubes Ltd, one of the leading stainless-steel pipes and tubes manufacturers and exporters in India has commenced operations for Seamless pipes/Tubes; with a capacity of 1,800 MTPA. With this expansion the total capacity of Seamless Pipes & Tubes for the company stands at 16,200 MTPA. Additional capacity expansion of seamless pipes/tubes is scheduled to operationalise in coming months.

Commenting on the same, Arun Kothari, Managing Director, Venus Pipes & Tubes Ltd, said,
"We are pleased to share that the company has commenced operations for 1,800 MTPA of seamless pipe/tube production capacity. This marks a key milestone in our strategy to deepen our presence in critical, high-specification industries that demand superior-grade pipes and tubes.

The balance capacity is progressing as planned and is expected to become operational in the coming months. Leveraging our technical expertise and strong customer relationships, we are confident of achieving a swift ramp-up.

This expansion will further enhance our value proposition and underscores our continued commitment to quality, innovation, and comprehensive service excellence for our customers."
